| <p>I'm wondering if the Transportation requirements have "jelled" sufficiently for Mr. Rhoads & Campbell. If the vehicles are required from Transportation we ought to get our requirement to them probably by tomorrow (26TH).</p> <p>Would there be any chance of using Mr. Bannerman's vehicle & driver for this purpose?</p> <p>FYI: A Security Guard is required when the auditorium is in use. This we arrange by calling a [REDACTED] X-6161.</p> <p style="text-align: right;">25X1A9a</p> <p style="text-align: right;">Jack</p> <p style="text-align: right;">SIGNATURE</p> | | | | |

There is no need for us to specify the car.</p> <p>Yes <u>arrange for the Guard</u> from about 12 or 1230 to 4:30 at least.
